*Join Us for Our Artist Series Wine Event*  
*Enjoy a Masterful Wine While Supporting a Worthy Cause*

Beginning March 15, we invite lovers of fine wine and admirers of fine art alike to experience a bottled masterpiece: a world-class wine and a collectible work of art on the label, all in support of a noble charity.

---

*The Art of Wine*

Inside the bottle is an exceptional Cabernet Sauvignon, produced in limited quantity by Napa Valley's Atalon Vineyards exclusively for The Capital Grille. Gracing the outside of each individually numbered bottle is a stunning label by artist Dean J. Baer. Come swirl, sip and savor your art this spring.

*Pour Your Heart Out*

For every \$75 bottle of our Artist Series Cabernet sold, we will donate \$25 to Share Our Strength to aid their ongoing quest to end childhood hunger in America. An extraordinary wine for a most deserving cause.
